We could meet in the Cafe in wz level 2. That area is quite nice.

That's fine.

Do you want to meet in Newsfeed or the Counter or come up to my office on level 15 of WO building?

Was hoping to show our progress sometime this week but that's looking unlikely. How are you setup for a meeting next week? Maybe Wednesday or Friday?

Hello Hayden

How are you all getting on?
It is October already and before we know it, it will be poster presentation time.
Is there anything you would like to discuss with me regarding performance of the app?

Let me know if I can be of assistance
Regards
Sonia

Hey everyone,

Quick update. I think we definitely overestimated the difficulty involved here. However, we're making progress and hope to have something to show you in the next couple of weeks.

Thanks
Hayden
